ACA Reporting

The ACA Reporting Tool, in conjunction with the 6055 and 6056 workbooks, is designed to help your organization fulfill the health coverage reporting requirements mandated by the Affordable Care Act.

Launch

Benefit Document Builder

Access Benefit Document Builder to manage and build custom plan documents.

Launch

Compliance Poster Builder

Easily download and print federal and state posters.

Launch

Federal Poster Advisor

Determine which federal posters are required for your company in order to stay compliant with the Department of Labor (DOL).

Launch

FMLA Advisor

Understand your company's rights and responsibilities under the federal Family and Medical Leave Act (FMLA).

Launch

Multi-State Laws Comparison Tool

The Multi-state Laws Comparison Tool will build a side-by-side comparison chart that features state labor laws that are relevant to you.

Launch

Web Accessibility Tool

Evaluation tools that helps authors make their web content more accessible to individuals with disabilities.
